

Armour Valve

Your trusted supplier of specialty valves and process equipment

POWER

BLAC INC.

Electro-Hydraulic Actuators

- Power units and controls
- Linear and rotary applications
- Consultation available
- Field service capability

CERA

Ceramic Ball and Sliding Disc Valves, Pipes and Elbows

- For high wear, corrosive and thermal shock applications
- Ceramic seats, balls and liners
- On/off and control applications
- 1" to 8"
- ANSI 150 to 300 class

CONVAL

Clampseal HP Globe Valve

- Globe, check, ball, gate, throttling and tandem blowdown valves
- ½" to 4"
- In-line repairable
- ANSI 900 to 4500 class

CONVAL

Camseal Power Ball Valves

- Metal seated, unibody construction
- Zero leakage
- Top entry pressure seal
- In-line renewable
- ½" to 4"
- ANSI 1500 to 4500 class

FOSSIL POWER SYSTEMS

Aquarian Electronic Level Gauge

- Conductivity sensing
- Modified Swagelok probes
- Alarms and boiler trips
- Up to 3000 psi

HILTAP

RapidLok™ Series Safety Quick Coupling

- Metal to metal seal
- Leakproof operation
- Safe venting of residual pressure
- ¼" to 6"
- Equal to ANSI 900/1500/2500

HORA

Feed Water Control Valves - High and Low Load Designs

- High and low lead designs
- Water, feedwater and steam
- Buttweld or flange connection
- Pneumatic, electric or hydraulic actuation
- ½" to 24"
- ANSI 150 to 2500 class

HORA

Steam Conditioning Valves for Combined Pressure Reducing and Desuperheating

- Globe, angle or z-style
- Carbon steel, stainless steel and other alloys
- Buttweld or flanged ends
- Up to 1500 class

Western Region
 6, 2221 - 41 Avenue NE
 Calgary, Alberta T2E 6P2

Armour Valve

Your trusted supplier of specialty valves and process equipment

POWER

HORA

Turbine Bypass Systems

- Custom engineered
- 100% of capacity of turbine
- High/Intermediate/Low Pressure

HORA

Multi-Nozzle Desuperheater

- Venturi nozzles atomize spray water
- Integral pressure control
- Electric and pneumatic actuation
- ANSI 300 to 2500 class

HORA

Automatic Pump Recirculation Valve

- Minimum flow
- Ensures pump protection
- No pneumatic or electrical connections
- 2" to 10"
- ANSI 150 to 1500 class

INTERVALVE

Pressure Seal Bonnet

- Gate, globe, stop check and check valves
- 4" and larger
- ANSI 600 to 4500 class
- AWWA large bore butterfly valves

ONYX

Pinch Valve

- Full round
- Single pinch
- Pre-pinched
- Air or electric actuators available
- Suitable for buried service
- ½" to 30"

PERSTA

High Pressure Valves

- Gate, globe and check
- Forged steel and alloy
- ½" and larger
- ANSI 900 to 4500 class

STAINLESS VALVE

Slide Gate Valves

- Tight shut-off in severe applications
- Custom design flexibility
- Slurry applications

WT ARMATUR

Bellows Globe Valves

- On/off and control
- Y, T or angle pattern
- Manual and automated
- ¾" to 16"
- ANSI 150 to 600 class
